***BEHAVIOR**

Laws concerning pupil records and their confidentiality govern the maintenance and destruction of such records. Wisconsin Statute 118.125 Section 3 requires that "behavioral" records be destroyed one year after the student ceases to be enrolled in the school, unless permission is granted in writing to maintain them for a longer period.

"Behavioral records mean those pupil records which include psychological tests; personality evaluations; records of conversations; any written statement relating specifically to an individual pupil's behavior; tests relating specifically to achievement or measurement of ability; the pupil's physical health records other than immunization records or lead screening records required under s. 254.162; law enforcement officers; records obtained under s. 48396(1)(b)2.(c)3, and any other pupil records that are not progress records." Wis. Stat. sec. 118.125(1)(a).

Please note that if a student leaves the Kenosha Unified School District and the receiving school requests records, all records are mailed as required by law, even though this form is in the student cumulative records. Nevertheless, it is highly recommended that the "permission to retain behavior records" is on file for each student. This will insure that records not requested will be retained up to five years after leaving KUSD and be available in the event the student returns to KUSD. If the form is not on file, records will be destroyed one year after leaving KUSD.

I hereby request and authorize KUSD to retain behavior records for one year I hereby request and authorize KUSD to retain behavior records for five years
