

DIMENSIONS OF LEARNING ACADEMY - STUDENT SUPPLIES 2018-2019

Please check with your child occasionally to see that he or she has the supplies they need. They do run out as the year goes along. Your child's teacher may also require specialized materials during the year. They will inform you as to what may be needed at the appropriate times.

Helpful Hint: Buy extras to replace during the year (to be kept at home). School supplies are cheapest at the start of the school year.

PLEASE WRITE YOUR STUDENT'S NAME ON ALL SUPPLIES INCLUDING ART SMOCKS.
